

Notice of SEPA Determination of Non-Significance (DNS)

Project Name: Bendigo Boulevard Right Turn Lane to Park Street

DNS Issuance / Publication Date: July 6, 2016

Applicant: City of North Bend

Location: Intersection of Bendigo Boulevard S. and W. Park Street

Comment Deadline: July 21, 2016

Description of Proposal:

Construction of a right turn lane on north bound Bendigo Boulevard S. at the intersection with W. Park Street. The project will include an added 200' long right turn lane, reconstructed sidewalks, curb and gutter, added landscaping and irrigation, street lighting adjacent to the new turn lane, signal revisions to include Accessible Pedestrian Signal (APS) system on all four corners of the intersection, and minor stormwater revisions to include the installation of approximately 122 linear feet of 12" diameter stormwater pipe.

Responsible Official:

Gina Estep, Community and Economic Development Director

Threshold Determination:

The City of North Bend (lead agency for this proposal) has determined that this proposal does not have a probable significant adverse impact on the environment that cannot be mitigated through compliance with the North Bend Municipal Code and other applicable regulations. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist on file with the lead agency. This information is available to the public on request at the offices of the North Bend Community and Economic Development Department located at 126 E. Fourth St., North Bend, Washington.

This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from the date of publication of this notice, allowing time for public comment.

The issuance of this DNS should not be interpreted as acceptance or approval of this proposal as presented. Pursuant to RCW 43.21C.060, the City of North Bend reserves the right to deny or approve said proposal subject to conditions if it is determined to be in the best interest of the City and/or necessary for the general health, safety, and welfare of the public. This DNS may be appealed pursuant to WAC 197-11-680 and NBMC Section 14.04.340.
